FUTURE  
LEADERS

Thank you for choosing to support Future Leaders—you're about to embark on something truly extraordinary. Your efforts will help us empower young and disadvantaged refugees, asylum seekers, giving them the confidence, skills, and opportunities they need to shape a brighter future for themselves and their communities.

Every penny you raise will go directly toward creating transformational experiences for these talented and resilient young people. Through our programmes—including the Future Leaders Programme, Mother as Leader and School of Entrepreneurship—you're not just fundraising, you're investing in the future of leadership, innovation and genuine social impact.

In this pack, you'll find everything you need to kickstart your fundraising journey—creative ideas, practical tips, and inspiring stories of the lives you'll be impacting. Your support means the world to us, and to the young people who benefit from this work. Together, we're changing lives, one step at a time.

Thank you for your passion and commitment—your contribution is more than a donation, it's a legacy.
